# About the Director

**ABHINAV ANANT,**  
**DIRECTOR, SARATHI ACADEMY**

Gold Medalist, Civil Engineering Department,  
Indian Institute of Technology, Kharagpur  
Biology Everywhere Foundation Hons.,  
University of Colorado USA

## **GOLD MEDALIST**

Abhinav Sir is the director of Sarathi Academy, Bhagalpur. His name is written on the board of the List of Prestigious Academicians of IIT Kharagpur. He passed out from IIT Kharagpur with an excellent record CGPA of 9.1 and he bagged a Gold Medal for his superb performance at the prestigious IIT Convocation ceremony where the chief guest was Dr. Manmohan Singh - the then Prime Minister of India.

## **SCHOLAR**

Being the topper of his Department, he also received Silver Medal. In 3 semesters, he had an SGPA of more than 9.5 i.e. more than 95 percent marks in exams at IIT Kharagpur. He was selected as one of the members to improve academics in IIT Kharagpur. He had campus selection in the leading company PSU Bharat Heavy Electricals Limited (BHEL). He has scored 98.5% in the Biology Everywhere Foundation Course offered by the University of Colorado through Coursera.

## **EDUCATOR**

Abhinav Sir had an inner fire for teaching right from the 1st year of IIT Kharagpur where he started coaching to the students at Kharagpur. Due to his intense dedication and meticulous attention, today Sarathi Academy is an emblem of students where their inner potential is carved to colorful skyscrapers of success.

## FROM THE DIRECTOR'S DESK

Sarathi has been started as a forum for nurturing young minds aiming to develop the potential of each student in a stimulating environment of academic excellence and mutual respect. Upon receiving recognition and support from students and parents, it grew up into an academy where XI and XII students are taught syllabus of JEE and NEET along with board preparation and IX and X students are taught board syllabus in such a way that it acts as a strong foundation for the competition they are going to face in the future. Faculty members here are all students from IIT, so there is not only an experience of teaching but also the experience of struggle for clearing the competitive examinations.

Here at Sarathi, emphasis is given on strengthening the fundamentals and clearing the doubts. We aim to equip our students with monthly tests, fortnightly doubt classes, weekly assessment so that they can march daily towards success.

We, at Sarathi, give special attention to each student, whether it is academic mentoring or providing emotional support to the students. We believe that any student can succeed in some way provided he is given the right guidance at the right time. We believe that students and parents also help us in making our students succeed and bring good reputation for us.

Abhinav Anant,  
Gold Medalist, IIT Kharagpur  
Director Sarathi Academy

## Meet Our Team

**Sir Abhinav Anant,  
Gold Medalist, Civil Engineering  
Department, IIT Kharagpur  
Biology EF Hons.,

B. Tech., M. Tech.,  
Computer Science Department,  
IIT Kharagpur.**

**Sir Ujjwal Mrinal  
BDS - M. Gandhi Dental College,  
Mumbai,  
MDS -AECS Dental College,  
Bangalore**

# Why Sarathi is the Best

## 100% of faculty members from IIT

A teacher should be one who knows the way, goes the way, and then, shows the way. Here at Sarathi, we have the best of the faculty members from across many departments, having such high packages, having such high caliber. Faculties having board marks up to 98%, faculties having expertise in physics, chemistry, maths, faculties who are there right from the premier institutes who can not only teach but share their experiences of preparation for IITs.

## Creative ways of teaching using ppts, videos, animations, etc.

Ever wondered why students are addicted to smartphones? Why they are just caught up with the mobiles and laptops for hours and hours. Because it really captivates the mind and intelligence. Here at Sarathi, we use state-of-the-art techniques so that the minds of the students are engaged in grasping the subject matter with full attention. That's why we use ppts, projectors, animation, and smart classes to make the students very comfortable with the subject.

That's why we call teaching at Sarathi is so much fun and students really love the subject matter.

# Why Sarathi is the Best

## ● Revision classes

The first time studying is Understanding, the Second time studying is grasping, third time studying is Mastering. Especially for the competitive exams like IITJEE, NEET, etc. where mastery is required. All the study materials, problem books, question banks, class notes, and test papers when put together might weigh more than 20 Kilos. With such a huge amount of data inside the brain, it necessitates the student to regularly revise the contents at regular intervals otherwise things just get evaporated from the brain. That is why here at Sarathi we have regular Review classes so that students don't lose touch with the old contents when they are learning new ones.

PRACTICE  
MAKES  
PERFECT

## ● Proximity Access to teachers

Previously when there was an era where teachers and students used to stay together. Ever wondered why? Because the student requires step-to-step, moment-to-moment guidance from the teachers. Many coaching classes don't share the contact details of the faculty members fearing that the students will interact directly with the teachers and the reputation of the coaching will get sidetracked. But here at Sarathi students can call the teachers and get their doubts cleared. Because every Arjuna requires a Drona!

# Why Sarathi is the Best

## ○ Get-together festival celebrations

Imagine writing with a pencil for 100 long hours at a stretch. We bet you can not because the pencil requires sharpening at regular intervals. Sharpening a pencil is not a waste of time. Have you heard of the increasing Suicide rates amongst Indian teenagers, especially in cities like Kota where the environment is fraught with the cut-throat competition? That is why here at Sarathi we have regular festival celebrations that not only act as great stress busters but also cater to the emotional and social needs of the student.

## ○ Regular meetings with highly qualified IAS officers, Doctors, Researchers, and IITians

IITJEE preparation is not a sprint, it's a marathon that requires years of hard work and consistent inspiration. That's why here at Sarathi we organize regular meetings with esteemed personalities who have themselves achieved peaks of success in their lives. Interacting with them, and listening to their success stories inspires the student to achieve a similar crescendo in their lives as well. Meeting IAS IPS officers, doctors, meeting software engineers, meeting foreign Ph.D. research scholars is the luxury you can get only at Sarathi. students are given exposure to multifarious fields of knowledge right in the formative age of their lives so that they can properly grow in accordance with their psychophysical nature.

# Why Sarathi is the Best

## ○ SMART card for effective time management

It is said that by failing to plan we are planning to fail. Here at Sarathi, we equip our students with a SMART card that has been designed on the principles enunciated by globally acclaimed Management gurus like Stephen Covey, Simon Sinek, Shiv Khera, etc. The SMART card helps the student to monitor his whole day's activity, and channel his energy effectively.

## ○ Review of Students' Performance

Anything that has to be managed requires to be measured. When we realize our strengths and weaknesses, only then do we have the opportunity to capitalize on them effectively. That is why at Sarathi we have regular reviews of students' performance.

## ○ Balancing Boards and IITJEE Preparation

IITJEE is board plus something extra. Our curriculum is designed in such a way that it covers the spectrum of the entire board syllabus and then we add the rainbow of IITJEE preparation so that students can come up with flying colors in both exams. Here at Sarathi, we have a balanced and wholesome approach towards this that caters to the needs of Board exam preparation as well as competitive exam preparation.

# Why Sarathi is the Best

## ● Scholastic Complete Study Material

Do you know why many students who are sincere, studious, and hard-working as well get poor ranks in competitive exams like IITJEE? A very significant folly that contributes to such an unfortunate predicament is CHOOSING under-quality study materials, irrelevant reference books, or, books with a lot of similar questions. That is why here at Sarathi we have designed complete and thorough coursework that encompasses relevant quality content and a variety of problems as well. OMR is the standard of all competitive exams. In the purview of the current scenario, all the competitive exams aim at testing the problem-solving skills of the aspirants. Familiarity with the test patterns and OMR scripts gives an edge over others.

## ● Super Smart Study Slots

For many ages and centuries ago, Svadhyaya is one of the main principles in the making of a first-class student. Many times students have this notion that just attending classes with an expert faculty can bring success. For sure the role of teachers cannot be undermined but Self-study by students is equally important if not less. So here at Sarathi, we have smart study slots where the students must solve the Practice papers in order to imbibe the subject matter deeply.

## **Q1. I am an average student. Can I crack IITJEE/NEET?**

What lies behind you and what lies beyond you are tiny matters compared to what lies within you. IITJEE/NEET preparation requires sheer determination, self-control, and consistent endeavors. We have seen many students getting as low as 70% in their X boards but came out with flying colors in IITJEE/NEET whereas their school toppers flunked in IITJEE/NEET. So yes! Preparation is difficult but with proper guidance and hard work, anything is possible.

## **Q2. Will the IITian faculty really teach or they are just on the poster?**

Please understand.....

Sarathi Academy

Where all faculties are IITians.

## **Q3. Have the faculty members really cracked IITJEE?**

What to speak of cracking IITJEE, our director's name is written on Golden Board of best academicians in IIT!

## **Q4. Are there any hidden fees?**

No, there is no hidden fee. For the coaching fee, refer to Fee Structure Section of the brochure.

Note: For admissions to Sarathi+2 School, there will be additional fees for class XII board registrations.

## **Q5. Is the hostel facility available for everyone? What are the hostel fees charge?**

The hostel facility is for boys as well as girls. Facilities for Single beds and double beds are available. Hostel fee charges will vary accordingly. Details can be discussed at the time of admission.

## **Q6. Can I pay the fees in installments?**

Please refer to the FEE STRUCTURE section of the brochure.

## **Q7. Why should I join your coaching only?**

Every student is special. His life, his career, his future, not only his family's future, and his responsibility towards society are very much dependent on these few years of class IX to XII. These super special years of the special child are taken care of in the best special way at Sarathi. Our internal motto is "Dedicated to the Service of Nation" and the future of the nation is dependent upon these students. Thus Join Sarathi to get the best out of these best years. For more reasons, refer to the WHY SARATHI IS THE BEST section.

**Q8. Why you are teaching from class X only when I have to give JEE in XII?**

A fully grown-up tree giving mature ripened fruit comes out of the seed that was planted 8 years ago. When the basics are not strong, it is very difficult to grasp the subject matter in just 2 to 3 years of preparation. A building with a strong foundation can have multiple stories, but if the foundation is not strong then achieving success is just a story.

We want our students to be nurtured and nourished right from the day when Maths and Science start showing their toughness. Also, Earlier IITJEE had many many attempts. So most of the students used to start preparing after class XII. Then the no. of attempts got reduced to two. And the students used to start preparing from class XI. But nowadays in the era of cutthroat competition, it necessitates one to start preparing as early as possible. Past results of IITJEE/NEET as well prove that most of the students who get top ranks in IITJEE/NEET are the ones who started preparing before. Therefore to get sure shot success, start early and beat the competition.

**Q9. I have given XII this year. I want to repeat one more year. Can I prepare in Sarathi?**

Yes, in the WINNERS batch, we have planned an exclusive zipped classroom module covering the entire IITJEE syllabus in 1 year. But since time will be less, we expect the students to be more prompt and enthusiastic.

**Q10. I am very much fearful of Maths. Can I prepare for IITJEE?**

Ans. Many times students become fearful of a particular subject because that subject is taught in an improper way by the teachers. A teacher who loves the subject can teach the subject because he lives the subject. Here at Sarathi, teaching is not a profession, it's our heart. So my dear friend, do not fear, Mathematics is a smooth curve here. Enroll in Sarathi today because quality education matters at the end of the day.

**Q11. Anyone who goes to Kota or Delhi clears IITJEE/NEET. Why stay here?**

First of all, it is a misnomer that anyone who goes to Kota or Delhi clears IITJEE. The success rate even in coaching hubs is like 1-2%. Although world-class facilities are available there, still that is not the complete story. First of all, staying in a big city and studying in any of the popular colleges require around 4-6 lakhs per year. Secondly, not all batches receive equally qualified teachers. Apart from the first few batches, the rest of the faculty are quite average. Moreover, cut-throat competitive atmosphere, no support from family members, peer pressure, inability to maturely handle the freedom, endless distractions in the form of cybercafes, mobiles, the internet, addictions to self-destructive habits like smoking, drinking, and drugs, and the most widely neglected issue of relationships leave a student bewildered in the casino of despair. All of which could have been avoided had the child been under the shelter and vigilance of the parents.

**Q12. I have heard that while studying for medical we start earning after 10 years. But after doing engineering, one starts earning in 4 years only. Is it true?**

Yes, that is true. In general, doctors complete 4-year undergraduate degree program, spend 4 years in medical school, and then complete 3-7 years of residency training before they are eligible for medical licensing.

**Q13. While preparing for IITJEE/NEET will my boards get affected?**

No, the syllabus of IITJEE/NEET and boards are two largely overlapping circles. Only the mode of examination is different. Boards are mostly subjective i.e. they require detailed solutions whereas IITJEE/NEET is a fully objective-based paper. If a student adapts according to the Board exam pattern, developing writing habits even just one month before exams, he can pass out with flying colors.

**Q14. How to stay focused while preparing for IITJEE/NEET?**

You are what you associate with. Along with focused teachers and focused preparation batches, it is easier to be focused. A self-motivating willpower-oriented preparation generally lasts only for a few weeks. Our special package of meetings with the esteemed IAS officers, doctors, and Foreign grads, will motivate you to the core. And along with that There must be a desire to do well, a hunger to study in the premier Institutes of India, an ambition to go ahead of others, and a zeal to prove yourself.

**Q15. When is the ideal time to start preparing for IITJEE/NEET?**

Now

**Q16. How many undergraduate seats are there in IITs/NITs, Government MBBS Seats all over India?**

IITs - 16,234.

NITs - 23,997

Government MBBS Seats - 76928

# CLASS 9

## PROGRAM FEATURES

This program comprehensively prepares you for school, boards, and all scholastic & competitive exams at the city, state & national level, including NTSE & RMO by raising the IQ of the students i.e. sharpening analytical skills & mental ability, and evolving students' thinking process making them capable of solving complex problems.

This program lays a strong foundation for competitive exams like NEET, JEE Main & JEE Advanced, etc., and **helps students to easily adapt to the exponential increase in the level of academics in Class XI & XII** vis-a-vis those who wait till Class XI to join a coaching institute.

The program duration is approx. - 500 hrs. including classroom interaction and tests.

## PROGRAM FOCUS & OBJECTIVES

- Emphasis on imbibing the Fundamental Concepts of Maths, Science & Computer Science.
- Sharpening Analytical Skills and evolving their thinking process which makes one capable of solving complex problems.
- Imparting right Time Management skills to ensure optimum output.
- Comprehensive coverage of class IX

# CLASS 10

## PROGRAM FEATURES

This intense 1-year Classroom program makes the student excel in Class 10th Board Examinations. The main features of this course are:-

- Single comprehensive study material. Additional problems will be supplemented wherever necessary.
- WorkBooks for **Home Assignment**.
- Subjects covered: Physics, Chemistry, Mathematics, Biology, and Computer Science.
- **Chapter Practice Problems (CPP)**: In each chapter, students will be given chapter practice problems that they have to attempt and submit before the beginning of the next chapter. These solutions will be checked by the faculty and will be returned to the students with remarks and suggestions. Thus helping every student to have a very strong command over fundamental concept knowledge is very crucial for getting Top ranks.
- **Classroom Learning Assignments(CLA)**: Icing on the cake of every class will be done through
- **Grooming questions** for those who have completed all assignments to further help them get a higher Rank/performance in Boards and NTSE in Class X.
- Rank Prediction Index (RPI): We are one of the rare institutes in India having the capability to predict Rank as per his/her performance in Class 10th. We constantly encourage our students to improve it.
- DURATION - 500 hrs. including classroom interaction and tests.

## PROGRAM BENEFITS

Benchmark yourself amongst successful aspirants. Identify improvement areas and remedial suggestions. Mock Board Test Series, Mock NTSE Test series for all Sarathi students. Regular feedback & test analysis sessions. The dedicated academic operations team provides feedback at any point in time apart from scheduled parent-teacher meetings.

# Sarathi +2 School

## PROGRAM FEATURES

This mesmerizing transformational program is designed to unleash your analytical, logical & thinking ability and attain success in **JEE Main & JEE Advanced, NEET, XII Boards, Olympiads & Kishore Vaigyanik Protsahan Yojana (KVPY)**.

Sarathi prepares you for JEE Advanced, JEE Main, and NEET in a Pattern Proof Mode. This means that you are prepared to give your best and optimum performance even if the pattern of the exam is changed at the last minute.

Our preparation is such thorough that one can easily achieve success just by following the guidance of esteemed Sarathi teachers. At our Institute, Students not only do well in JEE Advanced but also in JEE Main, XII Boards & Other Engineering Entrance Exams. All Sarathi Students who qualified for JEE Advanced also scored well in their **XII Board Exams** thus figuring in the Top 20 percentile of their respective Boards.

## PROGRAM BENEFITS

The preparation for JEE Advanced is accomplished in 5 Phases (Class XI - 2 Phases & Class XII - 3 Phases).

Our Academic Phase Plan covers the entire syllabus of JEE Main and JEE Advanced. Each phase has exhaustive exercises, quizzes, and Phase Tests (both on JEE Main & JEE Advanced pattern).

Phase Tests are followed by Test Analysis Sessions. The Program spans across Classroom contact hours of approx. 2000 hrs. i.e. 1000 hrs. in Class XI & 1000 hours in Class XII which includes additional doubt removal sessions, Rank Improvement material, Winners Test Series, Phase Test and Test Analysis Sessions.

# Sarathi +2 Coaching

## PROGRAM FEATURES

This program lays a strong foundation for competitive exams like NEET, JEE Main & JEE Advanced, etc. Physics, Chemistry, Mathematics for JEE & Physics, Chemistry, Biology is taught in this program.

Sarathi prepares you for JEE Advanced, JEE Main, and NEET in a Pattern Proof Mode. This means that you are prepared to give your best and optimum performance even if the pattern of the exam is changed at the last minute.

Our preparation is such thorough that one can easily achieve success just by following the guidance of esteemed Sarathi teachers. At our Institute, Students not only do well in Board Exams but also in JEE Main & Other Engineering Entrance Exams. All Sarathi Students who qualified for JEE Mains/Advanced & NEET also scored well in their **XII Board Exams** thus figuring in the Top 20 percentile of their respective Boards.

## PROGRAM BENEFITS

The preparation for JEE Advanced is accomplished in 5 Phases (Class XI - 2 Phases & Class XII - 3 Phases).

Our Academic Phase Plan covers the entire syllabus of JEE Main, JEE Advanced or NEET. Each phase has exhaustive exercises, quizzes, and Phase Tests (both on JEE Main/Advanced or NEET pattern).

Phase Tests are followed by Test Analysis Sessions. The Program spans across Classroom contact hours of approx. 1200 hrs. i.e. 600 hrs. in Class XI & 600 hours in Class XII which includes additional doubt removal sessions, Phase Test, and Test Analysis Sessions.

# Target One Year (12+)

## PROGRAM FEATURES

It's a one-year intensive program for Class 12th passed-out students. The Program is so expertly designed by our teachers that it will automatically ensure that you excel in JEE Main. The Program also helps the Student to excel in Other Engineering Entrance Exams.

The entire course is divided into 2 phases. Our Academic Phase Plan covers the entire syllabus of JEE Main and JEE Advanced. Please contact Sarathi Academy center for more details.

All Students qualifying in JEE Advanced (in Common Merit List) and wishing to appear again in JEE Advanced will get Direct Admission to One Year Program for JEE Advanced. For scholarship, these Students can appear in the admission test (Scholarships are awarded on the basis of performance in the admission test).

## PROGRAM BENEFITS

Our Academic Phase Plan covers the entire syllabus of JEE Main/JEE Advanced or NEET. Each phase has exhaustive **exercises, quizzes, and Phase Tests** (both on JEE Main/JEE Advanced or NEET pattern).

Phase Tests are followed by Test Analysis Sessions. **The Program spans across Classroom contact hours of approx. 1000 hrs.** Which includes additional doubt removal sessions, Rank Improvement material, Winners Test Series, Phase Test and Test Analysis Sessions.

# SCHOLARSHIPS at Sarathi Academy

Based on Academic Performance & Competitive Exams

## » Based on Xth Board and Sarathi Admission Test:

Scholarship Valid for

- Students aspiring for JEE Mains/Advanced 2022 or 2023
- Students aspiring for NEET 2022 or 2023

Scholarships	ICSE/CBSE Board	Bihar Board	Sarathi Admission Test
25%	Minimum of 90 % in aggregate & 95 % in (Science + Maths)	Minimum of 85 % in aggregate & 95 % in (Science + Maths)	Minimum of 90 % in aggregate
20%	Minimum of 90 % in aggregate & 90 % in (Science + Maths)	Minimum of 85 % in aggregate & 90 % in (Science + Maths)	Minimum of 80 % in aggregate
15%	Minimum of 80 % in aggregate & 85 % in (Science + Maths)	Minimum of 80 % in aggregate & 80 % in (Science + Maths)	Minimum of 70 % in aggregate
10%	Minimum of 70 % in aggregate & 75 % in (Science + Maths)	Minimum of 70 % in aggregate & 70 % in (Science + Maths)	Minimum of 60 % in aggregate
5%	Minimum of 60 % in aggregate & 70 % in (Science + Maths)	Minimum of 60 % in aggregate & 70 % in (Science + Maths)	Minimum of 50 % in aggregate

## » Based on XIIth Board and Sarathi admission Test:

Scholarship Valid for

- Students aspiring for JEE Mains/Advanced 2022
- Students aspiring for NEET 2022

Scholarships	ICSE/CBSE Board	Bihar Board	Sarathi admission Test
20%	Minimum of 90 % in aggregate & 95 % in (Science + Maths)	Minimum of 85 % in aggregate & 95 % in (Science + Maths)	Minimum of 90 % in aggregate

## » On the Basis of other Competitive Exams:

On the basis of Performance in **National Talent Search Exam (NTSE)** conducted by NCERT, JSTSE (Delhi) / SSTSE (Rajasthan) / MSCE (Maharashtra) or similar kind of Talent Search Exam conducted by State Govt., **Kishore Vaigyanik Protsahan Yojana (KVPY)** conducted by Department of Science & Technology, Govt. of India, **National Science & Mathematical Olympiads** (Organized by HBCSE) and **Junior Science Olympiad** (Organized by HBCSE). Student qualifying various stages of these exams will be awarded with scholarship for courses at Sarathi Academy.

Exam	Achievement	Benefits	Achievement	Benefits
NTSE	✓ (Qualified State Level Written Exam)	25% Scholarship on Tuition Fee. For State Topper - 100% Scholarship on Tuition Fee	✓ (Qualified National Level Written Exam & Final Scholar)	35% Scholarship on Tuition Fee
JSTSE/SSTSE/MSCE	✓ (Qualified Written Exam)	35% Scholarship on Tuition Fee	✓ (Final Interview) Wherever Applicable	Rank 1 to 20: 100% Scholarship on Tuition Fee Rank 20 to 50 : 75% Scholarship on Tuition Fee
KVPY	✓ (Qualified Written Test & Called for Interview)	30% Scholarship on Tuition Fee	✓ (Selected after Interview)	40% Scholarship on Tuition
National Olympiads	✓ (Qualified National Standard Examination in Physics/Chemistry/ Astronomy & Astrophysics or Regional Mathematical Olympiad for Stage-II Level)	30% Scholarship on Tuition	✓ (Qualified Indian National Olympiads in Mathematics/ Physics/Chemistry/ Astronomy & Astrophysics for Stage-III Level)	Only one time Admission Fee of Rs. 2000/- for 1 Year/2 Year Course and Rs. 4000/- for 3 Year/4 Year Course will be charged.
Junior Science Olympiads	✓ (Qualified National Standard Examination in Junior Science for Stage- II Level)	30% Scholarship on Tuition	✓ (Qualified Indian National Junior Science Olympiad for Stage-III Level)	Only one time Admission Fee of Rs. 2000/- for 1 Year/2 Year Course and Rs. 4000/- for 3 Year/4 Year Course will be charged.

**Shambhavi**  
**B.Tech. Electrical**  
**Engineering**  
**IIT BOMBAY**

I am extremely fortunate to have the most amazing parents one can ever have.

I am highly grateful to my parents for the wonderful care, guidance, support, and unconditional love which they have showered over me.

Especially preparation for one of the toughest exams in the world during the Corona Pandemic - one of the toughest situations the world has ever faced was really tough for me.

Apart from the tireless efforts, it required so much encouragement, support, and constant care which my family members kept on providing me at all steps of my preparation.

These 2 years although quite tough will also remain the most memorable experience in my life giving me so many sweet moments in my heart. In the upcoming years of life whenever there will be an uphill moment, I know just remembering these sweet memories will enthuse me with personal confidence along with a deep sense of security and care radiating so much from my divine parents.

I get so much inspiration from my grandfather Dr. Shambhu Shanker Singh who is so dedicated to serving humanity and my mother Shubhra Singh who is ready to give everything just to help me out. I take this occasion to humbly bow down before my father Late Ravi Shanker Thakur.

I really feel proud of myself to be able to bring a big, wholehearted, and emotional smile to the face of all of my family members. I really felt all my hardships were worth it making them so proud and delighted. This Vijay Dashami is a really special one for me and my family. It's a real "Vijay" to be an IITian. This is quite a rare opportunity for any student in his/ her life and I feel elated and like floating in a gravity-free atmosphere after cracking the exam. When the destination is so sweet, inconveniences during journey hardly matters.

I would also like to thank my teachers right from the day I landed at my school. They made me realize my inner potential all the while patiently shaping my wonderful career.

One of my great findings during the Pandemic was Sarathi Academy. I was a little skeptical at first but then coming in touch with them proved to be a real blessing. I would take this opportunity to thank Sarathi Academy for all the help provided. The guidance and maturity of the teachers are incomparable. Be it studies or guidance in counseling, I found Sarathi to be always by my side. It's a genuine Institute having so much of talented teachers. I couldn't believe that such a unique Institute can exist where all faculty are IITians.

I earnestly urge all upcoming students to take advantage of such highly qualified teachers and grab the wonderful opportunity to shape our wonderful career as a humble offering to serve our family, our society, our nation, and mankind at large.

In the end, I would like to thank from the core of my heart The Supreme Lord for making me the recipient of such great fortune. Kindly bless me to continue with full enthusiasm for the years ahead to be a proud asset to my family and society.

Sarathi academy is the best place a student can get for his career. I personally know the teachers. They are GENIUS.

Abinash Mishra,  
IAS AIR 65

There is a lot of sacrifice on the part of teachers at Sarathi, which is proven by their wonderful result even in the first few months of its opening.

Niladri Hazra,  
Ex-Director, Geological survey of India

The best place for learning is when the teachers have gone through the same path as the students.

Dr. Velmurugan,  
MBBS, Doctor

The environment of Sarathi is very warm and conducive for studies.

Shekhar Saurabh,  
IIT Kharagpur, IIM Calcutta

## Recommended By :

Sarathi teachers have designed an extensive and exhaustive study material for IIT JEE which caters to the needs of the aspirants.

Laxmi Narayan Varma,  
IIT Kharagpur, Walmart Labs

The teachers at Sarathi are very dedicated for their profession. This generates similar enthusiasm amongst the students for studies.

Sarthak Sugandhi,  
Intel, Bangalore

I promise to visit Sarathi regularly as it is really a very needed Institute. There is nothing other than this academy.

Rathin Singha,  
CSE Dept, IIT-KGP, AIR 178, JEE 2017

# Top Colleges

---

In a world full of choices, it is difficult to pick out one. Selecting the best educational institute per se is the toughest job one has to do in his/her lifetime. To assist you in picking the best from the rest, given below is a list of the top engineering and medical colleges in India; many of which come close to good government colleges. To step into one of these, make sure you give all the entrance exams that these institutes conduct.

## Top Engineering Colleges

- Indian Institute of Technology Madras
